

MOOSE HIDE CAMPAIGN

Good Day,

We hope you are keeping safe and healthy. We are reaching out to you today from the [Moose Hide Campaign](#) team. We are a grassroots movement of Indigenous and non-Indigenous men and boys who are standing up against violence towards women and children. Over the past two years the Moose Hide Campaign has been deepening its engagement with the K-12 sector through our [Online Learning Platform](#) and our Partner School initiative.

We are happy to announce that we will have powerful new online learning resources to share with schools across the country for the 2020/2021 school year. We have developed a Moose Hide Campaign Education Guide with three specific modules tailored to the early years, middle years and high school years. Each module has unique and engaging, ready-to-implement lesson plans and activities. We are excited for the launch of these new materials in September, 2020. Additionally, we will also be hosting our National

Moose Hide Campaign Gathering and Day of Fasting virtually on February 11, 2021. Through the virtual National Event schools can engage in the Campaign via our Partner School initiative which includes doing Moose Hide Campaign events in your own schools and communities, as well as participating in the National Gathering via livestream,

Our Frequently Asked Questions document (found [here](#) on our education website) has more information about the Campaign itself, our online learning resources, our National Gathering next February, and how schools can engage in the Moose Hide Campaign as a whole. Additional information will also be available in September for the new school year. We recognize that there may be another teacher or administrator more suited to receive this information and invitation, therefore we ask that you forward this message to them for their consideration. If you have any questions about the Campaign or require any further information please do not hesitate to contact us at education@moosehidecampaign.ca or 250-882-7018.

Best Wishes,

The Moose Hide Campaign Team
