

## Ms. Horning - Week 5

1. **Math** - Continue on Sumdog.com (<https://www.sumdog.com>) and complete all Fraction pages, including the **TEST**. These are due on May 4th. A friendly reminder to use the videos on **You Tube**. They help in the explanation and understanding of fractions - **Math Antics** (<https://www.mathantics.com/>) is great! **Mathisfun.com** (<https://www.mathsisfun.com/>) is another good website with practice questions to further develop your understanding. Type “**fractions**” in the search bar to get to where you need to go.
2. **Journal** - Finish your **COVID-19 Journal** this week. It is due May 4th as well. After I mark it, I will return it to you for a keepsake of this unusual time in your lives! Color the front page!
3. Continue the next section of the **Flight** unit. Read a section and answer the questions on the yellow sheets. Send pictures or return the yellow sheets. You have 2 weeks to complete this section. It is due on May 11th! Google the “**Montgolfier Balloon**” site to get the colors if you have Internet!
4. **What’s for Lunch** sheet is due Monday, May 4th.
5. **Whose the pilot??** Sheet is due Monday, May 4th.
6. Those with **Spelling** books can continue working in them, do two or three pages a day. If the corner of the page is not cut, there **are** corrections to be made! Those without spelling booklets, can do the Spelling on **Sumdog.com** for at least 10 minutes per day.

7. Continue doing the **Grammar/Reading** tasks on Sumdog.com as well for at least 10 minutes a day.
8. Find and send me your favorite **recipe** for the Juniper Covid-19 recipe book that Student Council is making! I have only received 1 recipe so far!
9. **ZOOM** will be every Wednesday at 2:30!

This is the focus for the week. Finish **all** Fractions work, What's for Lunch sheet, Who is the Pilot Sheet, COVID-19 Journal, and continue on Sumdog every day! Other sites are listed on the Juniper School website <http://jps.mysterynet.mb.ca> and the Juniper Elementary School Facebook page!

Take care and stay safe! Air hugs! Miss you all!!

**Ms. Horning**

Call if you need help call between 9:00 and 5:00 Monday to Friday!
